Public Notice

On Tuesday Nov. 1, 2011, Parks Canada will be carrying out fall preventive maintenance to the Old Slys Swing Bridge in Smiths Falls. In order for these repairs to occur in the safest, most efficient manner, the Old Slys Swing Bridge will be closed to vehicular traffic from 10 a.m. to 3 p.m.

During this time, Parks Canada requests that the public stay clear of the repair area. Parks Canada is proudly working on behalf of the people of Canada to maintain the heritage assets of the Rideau Canal National Historic Site, a UNESCO World Heritage Site, ensuring that they are safe and will endure for future generations.
