

**The Town of Smiths Falls**  
Requires One (1) Full-Time  
**Wastewater Treatment Plant Operator**

The Town of Smiths Falls is a vibrant, progressive single tier municipality with a population of 9,000. One of Eastern Ontario's most scenic communities, we are centrally located within an hour of Ottawa, Kingston, Brockville and the US border.

The Town provides a high quality and affordable life for its residents, with beautiful heritage buildings, two theatres, a charming downtown, and world-class museums and recreational facilities. Enjoy our thriving cultural scene with live music, foodie finds, a local brewery, and dozens of community events – all at the heart of the Rideau Canal, Ontario's only UNESCO World Heritage site and a gateway to the region's abundant lakes and waterways.

The Town is accepting applications for one (1) full time **Wastewater Treatment Plant Operator**

Under the direction of the Superintendent, you will form part of a team that operates and maintains a Class 4 tertiary treatment wastewater plant.

The successful applicant will possess post secondary education in environmental technology and related computer knowledge and skills. Consideration will be given to those who have graduated from a Water/Wastewater Technician course through a recognized Community College and who currently possess a valid MOECC License as a Wastewater Treatment Plant Operator.

Qualified applicants are invited to submit their resume by Friday June 15, 2018, at 4:00 p.m., to Lynda McKimm, Human Resources Advisor, Town of Smiths Falls, P.O. Box 695, 77 Beckwith Street North, Smiths Falls, Ontario, K7A 4T6 or via email at [lmckimm@smithsfalls.ca](mailto:lmckimm@smithsfalls.ca)

*We thank all applicants for their interest in our position; however only those selected for an interview will be contacted.*
